Dear Jason:

I just wanted to take the time to thank you for doing such an excellent job on my accident case. I know you put in a lot of hours and that my case was complicated and went on for some time. You always kept me informed and I appreciate your hard work and your kindness. Your assistant, Donna, was very helpful also. She was very knowledgeable, always answered her phone, and if I left her a message she was so prompt in returning my calls.

You both possess extreme professionalism in your jobs, but above all you both are kind, caring and compassionate people.

Again thanks so much and I would recommend you and your firm to anyone for the excellence you provide.

Sincerely,

Walter
